

**E1-Attestation**  
**W/C-13-2/2017**

Research & Development Centre of Wood-Based Panels, Czarna Woda, herewith attests to

**JSC "Ivatsevichdrev"**  
with it's registered office in Brest region  
225295 Ivatsevichy, str. Zagorodnaya 2,  
BELARUS

the external supervision regarding formaldehyde content of

**Particleboards E1**  
**in the thickness range more than 12 mm up to 25 mm**

according to supervision contract no. W/C-13 dated 27 October 2016. It was found that the requirements on personal and equipment are suitable to produce the product in an adequate way and the factory production control meets the requirements of the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt - Guideline 100)" dated June 1994.

This attestation is part of the evaluation report and is valid for the following 8 months. The continuous external supervision of factory production control shall take place twice a year.
